**Hon Zoe Bettison MP
MINISTER FOR TOURISM**

Welcome to the 2024 Riverland Rose and Garden Festival, which this year celebrates its 30th anniversary.

The impressive milestone is a testament to the dedication of event organisers and the wonderful programming which continually inspires visitors to ‘stop and smell the roses’ in this beautiful part of the world.

The festival is a true celebration of South Australia’s Riverland region, which boasts incredible nature and wildlife, and breathtaking experiences around Australia’s longest river.

Events like the Riverland Rose and Garden Festival help motivate people to commit to a trip, so I encourage everyone to explore a little more of the Riverland while in the region – from getting out onto the mighty Murray River, enjoying the many wineries and distilleries, as well as taking in the stunning sceneries along the way.

The State Government is proud to support the Riverland Rose and Garden Festival through the South Australian Tourism Commission’s Regional Event Fund, which helps attract visitors from all over and supports local tourism and hospitality businesses.

Thank you for your support of SA’s tourism industry – I wish you a wonderful time at the 30th Riverland Rose and Garden Festival.

Riverland Rose and Garden Festival acknowledges the traditional custodians of the River Murray and Mallee, and pays respect to Elders past, present and emerging.

Members of the 2024 Riverland Rose and Garden Festival Committee Murray Harvey, Annie Berrimann, John Chappel, Glenda Malinovski, Graham Matthews, Glenys Matthews, Frankie Dunhill and Rebecca Kennedy. INSET: President Michelle Dominic (absent).

WELCOME TO THE 2024 RIVERLAND ROSE AND GARDEN FESTIVAL 30TH ANNIVERSARY PROGRAM.

The committee is super excited to be bringing this program to you to help you plan your visit to the Riverland and to immerse yourself in what our beautiful region has to offer. It is also a chance for the Riverland to come together annually and celebrate the unique and great features of all our communities.

The program will have a number of our regular and popular components going ahead this year. The Renmark Institute floral display, the Festival Fair, our Gala Dinner, Waikerie and Districts Community Flower Show and of course Open Gardens, which is what our festival is all about.

In fact, we have 35 Open Gardens for viewing, with 12 of those being open for the first time. We sincerely thank all of our gardeners for their time and effort. The passion and love for all things gardening will be obvious when you take

the opportunity to meander through these gorgeous creations and we encourage locals and visitors to make their way to gardens listed in the program, as we promise you won’t be disappointed.

Our 30th Anniversary Gala Dinner celebrations will be in the town where it all started. The Renmark Club will be our hosts, presenting a red-carpet dinner overlooking the beautiful views of the mighty Murray River.

Horticulturist, author and ABC television Gardening Australia presenter and personality Sophie Thomson will be officially opening the festival at the annual Festival Fair and will be our special guest at the Gala Dinner.

We would like to thank all our sponsors, committee members, committee guests and to anyone who has helped in anyway, to put on this event each and every year.

“Life is better in the garden” enjoy!

Visit Waikerie – “At the Bottom of the Garden”

WAIKERIE AND DISTRICTS COMMUNITY FLOWER SHOW IN OCTOBER IS A MUST SEE FOR THOSE WHO LOVE THE BEAUTY, SERENITY AND NATURAL CHARACTER OF GARDENS.

Remember Flora? Wow! What an outstanding and amazing display Flora was at Waikerie's 2023 Flower Show. Created by local artistic experts, Carole Walker and Kathy Elliot, they are again at the helm and in the process of developing another exciting and visually spectacular display around the theme, “At the Bottom of the Garden”.

“This theme, conjures up all sorts of possibilities for participants,” said Glennis Crawford, President of the Waikerie and Districts Community Flower Show Committee. “Let your imagination run wild to bring a magical treat for all members of the community, to enjoy.”

To progress this theme, members of the committee have encouraged the younger members of the community to get involved and ran a successful and fun filled creative stall at the Rotary Markets in May. Free activities and give-aways were enjoyed by the young ones. “Of course we encourage all in the community to participate for a very small exhibit fee in a variety of sections we have on offer,” said Mrs Crawford. With the generous support of local businesses, the committee is able to give significant cash prizes for major winning exhibitors, this year.

Besides the flower, pot plant, Australian native, and floral art and orchid sections of the Flower Show competition, we are delighted to have very experienced floral art judge, Alethia Quick OAM, revealing the latest trends in her craft, with a free demonstration for adults, and for our young budding gardeners, a free hands-on workshop. Alethia is an amazing talent and presents these programs with a great amount of wit and in the case of the kids' event, an infinite sense of patience! We value the skill and talent of all our judges, who are more than willing to share their knowledge with our Flower Show patrons.

In conjunction with the Flower Show, the Rain Moth Gallery have an art and photographic competition for all ages, reflecting the theme, “At the Bottom of the Garden”. Open to all artists for two dimensional work in any medium, including, painting, drawing, print making, photography and textiles etc. (Further information available in this publication)

The committee thanks all our sponsors and in particular the Loxton Waikerie District Council, for their ongoing support for our printing and use of the Waikerie Memorial Institute at no cost.

This includes delivering extensive information and engagement through ABC Adelaide talkback radio and a variety of other forums such as national magazines, newspaper columns and social media.

As a popular national multimedia personality, TEDx presenter and speaker, she enjoys face to face contact with people as she feels our future, and the planet's

future, depend on all of us pulling together and doing the right thing.

Sophie is passionate about the role gardening can play in people's lives to improve both their mental and physical wellbeing. Recent natural disasters such as floods, bushfires, the pandemic and drought have seen her guidance in educating and helping people address the issues of food security and community.

Sophie has worked tirelessly over the last 4 years to support the bushfire ravaged gardening community on Kangaroo Island by educating and inspiring locals to rebuild their own and extend community gardens. She has also assisted bushfire communities in the Adelaide Hills and is currently

working in support of flood challenged communities in South Australia and interstate.

Sophie is ambassador, patron, and board member of many organisations including Friends of the Waite Arboretum, TreeNet Advisory Board and is currently on the board of the South Australia Botanic Gardens and Herbarium.

Sophie says her work reflects her belief that 'gardening provides some of the solutions to life's challenges'. "It reduces stress, teaches us resilience, care of our environment and gives us great pleasure and rewards when we see what we can achieve through our endeavours".

Rose and Garden Festival throughout the years

Below are extracts from the Riverland Rose and Garden Festival's history. A sincere thanks to Shann Hausler for her research. The full version will be published in parts in The Murray Pioneer leading into this year's festival...

1994

THE MURRAY PIONEER TUESDAY 22 AUGUST 1994

Former ABC rural officer Jon Lamb will open the 1995 Rose Festival and rose expert, Eric Trimper, will be a guest lecturer. The Rose Festival will be opened on the Saturday night, at a Sherry party at the Renmark Hotel Entertainment Room.

Festival organisers for the 1995 Rose Festival said forms for the Best Renmark Gardens would be available at the Renmark Garden Centre, or Lynny's Card Shop in Clark's Arcade (owned by Eithne Sidhu).

There will be a Rose Ball on Saturday 21 October at the Renmark Hotel. Walking and bus tours will also be available.

The Riverland Rose and Garden Festival was the brainchild of Eithne Sidhu who collaborated with David Ruston to run the very first festival in 1994, then known as 'Rose Week'. She saw it as an event to bring people into the town and to promote Renmark as the Rose Capital

of Australia, and her vision has certainly been realised.

THE MURRAY PIONEER TUESDAY 11 OCTOBER 1994 'ROSE FESTIVAL PLANNED'

A festival to honour Renmark as the rose capital of Australia will be organised in October next year (1995), from 21 to 29 October, and it will be highlighted by David Ruston's Open Garden Day on 22 October, Mrs Quigley's Garden Day, on 24 October, and the Renmark Show, on 28 October 1995.

The Renmark Chamber of Commerce hopes to plant more roses in Renmark and it will encourage local organisations to hold an event in 1995 and to decorate shops with roses during the Rose Festival.

THE MURRAY PIONEER FRIDAY 28 OCTOBER 1994

The newspaper featured a photograph of visitors to David Ruston's Open Garden Day at Woodbridge, his 1.6-hectare property featuring 50,000 roses, comprising 4,000

different varieties. The garden also featured iris, daylilies, exotic trees, shrubs, and perennials.

THE MURRAY PIONEER FRIDAY 11 NOVEMBER 1994

"a \$1,000 cash prize is being offered by Riverland Security (Mr Ted Wescombe) for a Garden Competition for the 1995 Renmark Rose Festival".

Mr Chris Brooke (Chamber of Commerce president) said the Rose Festival was to promote Renmark as a tourist destination.

Mr Brooke said the Festival would coincide with both the Renmark Show and Open Garden Day at David Ruston's Rose Garden, Woodbridge.

1995

FIRST ROSE FESTIVAL 21 OCTOBER TO 29 OCTOBER

Opened by: Jon Lamb
Guest Speaker: Eric Trimper
Theme: Display of Specimen Roses (Institute Floral Display)

Twenty gardens were open, with bus tours, floral carpets, guided walking tours and Devonshire teas on houseboats moored at Renmark wharf. There was a school poster competition, colourful window displays in shops and cellar door sales at Renmano and Angove Wines. Eithne Sidhu, the first Rose Festival president, mentioned seven busloads had been booked. Eithne said as it was Renmark's first Rose Festival, so it was hard to know what to expect. She said the two major highlights were the Rose Ball (hosted by Renmark Mayor Rod Thomas and Cynthia Thomas) and the Open Day at David Ruston's rose garden, the largest rose garden in the southern hemisphere.

The original Rose Festival Committee comprised:
Mrs E. Sidhu, Mrs J. Letton, Ms C. Doyle, Ms J. Frahn, Mrs V. Tripney, Ms C. O'Toole, Mr D. Ruston, Mr C. Taylor, Ms C. Ogilvy, Mrs L. Headlam, Cr. T. Wescombe. Mrs M. Smith

First year of the Renmark Rose Festival Fair (Jarrett Memorial Gardens)

Interstate and overseas visitors attending the unveiling of the David Ruston Sculpture swelled the numbers attending the Rose Festival. Due to the cold winter, arrangers were forced to buy roses for the Institute display.

The Floral Display in the Institute was very popular with arrangements featuring the Sydney Opera House, Port Arthur and the Great Barrier Reef and other icons.

Fourteen Riverland gardens were open and 31 attractions catered to a multitude of interests. The inaugural Rose Fair (initiated and organised by Shann Hausler with advice

from Tim Grieger and support from secretary Miriam McLean) was held in the Jarrett Gardens. Many of the stalls featured local produce. Jill Eckermann was the guest artist at Angove Wines.

WELL-KNOWN FORMER RENMARK RESIDENT AND INTERNATIONAL ROSE EXPERT KELVIN TRIMPER AM, PASSED AWAY AT HIS ADELAIDE HOME EARLIER THIS YEAR, AGED 69.

Born and raised in Renmark, Mr Trimper was just 11 years old when he helped bud the first 6,000 roses in the garden of Renmark legend David Ruston OAM.

Mr Trimper went on to become president of the World Federation of Rose Societies and in 2018 was appointed a Member of the Order of Australia for his leadership qualities and extraordinary contribution to horticulture and property development.

His passion for roses saw him develop, along with this wife Melanie, a prize-winning garden of approximately 2,000 roses at Greenwith.

Mr Trimper was active at state, national and international level as a judge, consultant and rose garden advisor, and was widely recognised for his expertise and community work.

In addition to his AM, he was the recipient of the Gold Medal of the World Federation of Rose Societies, the Australian Rose Award (ARA) and the T.A. Stewart Memorial Award

(SMA), and was a Fellow of the Urban Development Institute of Australia (SA division), and of the University of South Australia.

Mr Trimper was an important member of previous Riverland Rose and Garden Festival committees, and attended in 2016 to officially open the event.

In addition to his love of roses, Mr Trimper was also a prominent businessman, urban development manager, and garden and horticulture writer, making regular media appearances.

He is survived by his wife,

Melanie, daughter Kirsty, son Adam and daughter-in-law Ruby.

Kelvin Trimper and David Ruston with Chaffey MP Tim Whetstone, at the Renmark Rose Festival, in 2016.

AFTER THE ROSE & GARDEN FESTIVAL,

Why not take home your own fresh flowers?

Tribute to David Ruston

DAVID RUSTON WAS BORN AND RAISED IN RENMARK, AND WOULD BECOME ONE OF THE WORLD'S MOST RESPECTED ROSARIANS, WHOSE PROFICIENCY WITH FLOWERS IS LEGENDARY.

David's father first planted 500 roses, which extended to eventually 50,000 bushes covering over 11 hectares. This was the largest private collection of roses in the southern hemisphere and was recognised as 'the national collection of roses'. Today it is now a privately-owned garden.

David held many positions over the years, including president of the National Rose Society of Australia (1986), president of the World Federation of Rose Societies (WFRS), (1991 to 1994), foundation president of Heritage Rose in Australia (1986 to 1993), president of the Renmark Garden Club (for an incredible total of 32 years), foundation president

of the Chaffey branch of the Rose Society of South Australia (1996), and chairman of the WFRS Heritage Rose

Committee. He was elected president Emeritus of the WFRS in 2009, a particularly big honour, and one which

recognised his status in the world of roses.

He would receive the World Federation of Rose Societies' rose pin in 1988, and gold medal in 2004, the Deane Ross Memorial Award in 1997, and the prestigious Dean Hole Medal, in 2003, from the Royal Horticultural Society. This international medal paid tribute to the effect David had not just on our local communities, but also internationally.

David had an accepting nature and a welcoming personality that set him apart. He had a way of making everyone feel special and it wasn't hard to warm to him.

David will be remembered in his hometown through the Riverland Rose and Garden festival, plantings of his Renmark rose in the town centre of Renmark, and his contribution to the community. A memorial statue of David can be seen in the Jarrett Memorial gardens in Renmark.

David passed away on Sunday 19 May 2019, aged 89 years.
